Creative Brainstorming

Transforming Your Library

Middle and High School Librarian
The Galloway School, Atlanta
“The best way to have a good idea is to have a lot of ideas.” ~ Linus Pauling

“Creativity requires the courage to let go of certainties.” ~ Erich Fromm
If _____________ were in charge of the library...

then....
If the library were more like...

then...

How do I get more 8th grade boys to read?

How can I get the science teachers to collaborate with me?

How can I increase attendance at library programs?

How can I organize the library so that patrons will find things more easily?

How can I solve the issue of never having time to reshelve books?
